

UPDATED JANUARY 15, 2021

Thank you for doing your part in making sure we can all enjoy a safe and healthy practice!

Practicing Under Current Health Orders? What do I need to Know?

- 8 athletes/participants per practice space
- Athletes must always be 3 meters apart
- Athletes must always wear a mask on and off field
- Coaches must maintain a min. distance of 3 metres from athletes
- Coaches must always wear a mask on and off field
- Every field divided with barriers will use the SAME entrance/exit. See signs.
- Green Rooms/Dressing Rooms no longer available.

Saskatoon Soccer Centre (both locations) asks that everyone:

- Arrive no earlier than 10 minutes before practice to limit gathering
- Leave the building immediately after practice to limit gathering
- Follow the signs / arrows for the correct way to enter and exit your field
- Allow the Service Team time to disinfect fields and spectator areas as required
- Please do not move any field equipment or dividers, instead ask the Service Team for assistance
- If another Team is entering your field, allow them to do so first and maintain distance before exiting
- Please follow any instructions from your coach or the Service Team staff to help keep everyone safe and healthy

Everyone please be aware:

- We want to be well within the boundaries, not pushing to the edge. Task Force is doing random inspections and issuing fines as follows:
- Individual fines- Up to \$ 7500 (was previously max. \$2000.00)
- Corporations (Zones, SYSI, SSCI)- Up to \$ 100,000 (previous max. \$10K)
