- YOUTH NOTES:
1. Regina and Saskatoon fees are estimated averages across the different clubs/zones and include any required surcharges.
  2. Various amounts of practice time may be included in the player fee.
  3. There is no true equivalent to Saskatoon's 8v8 league which is played on twice the size field as the other youth leagues.
  4. Youth costs (\$/player/game) are higher than those for adults because they include practices, uniforms, zone administration and technical programming costs not usually covered by adult fees plus use lower estimated numbers of players/team.
  5. Regina fees don't include the mandatory \$50-60/player volunteer commitment bond.
